OFFICE OF THE SUPERINTENDENT, COMPOSITE LIVESTOCK FARM AND RESEARCH STATION, HESSARAGHATTA, BANGALORE NORTH TALUK.

Notification dated 6th October 1956.

Sale of Minor Forest Produce for the year 1956-57.

No. C8-51—56-7. It is hereby notified for general information that the exclusive right of collecting the Minor Forest Produce of the Farm, such as Tamarind, and seeds of Honge, Hippy and Neem for the year 1956-57 will be sold by public auction at the farm premises on 12th November 1956 by the Superintendent of the Farm or any other officer deputed by him in two lots, one lot on the Eastern section of the Farm at 9 A.M. at Gondahalli post and another lot on the Western section of the Farm at 2 P.M. at Dasenahalli post.

1. Each bidder should before he is permitted to bid, deposit with the sale conducting officer, a sum of Rs. 100 only in cash as earnest money. The deposit of unsuccessful bidders will be returned after the close of the sale. The successful bidder shall immediately after the close of the sale pay one-fourth of the total sale amount less deposit amount already given, together with the local and other cesses and sales-tax on the full sale amount. In default, the deposit will be forfeited and the right resold. The resale shall be at the risk of the defaulting purchaser who shall be liable to make good the loss that may result to Government, but shall have no claim to any surplus accruing therefrom. Such losses shall be recoverable as arrears land revenue.

2. The sale is subject to confirmation by the Director of Animal Husbandry Services in Mysore, Bangalore, who reserves to himself the right of accepting or rejecting any bid without assigning any reason therefor and his decision will be final.

3. Within 7 days from the date of intimation of confirmation of the sale, the successful bidder shall pay the remaining sale amount in full and execute an agreement on a stamped paper of proper value procured at his own cost for the due fulfilment of the conditions of the contract.

In default to pay the amount or execute the agreement the amount already paid by him will be forfeited, the contract cancelled and the right resold, the defaulter being liable for any deficit of the original sale amount. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as arrears of land revenue.

4 Each bidder should see the trees before auction and satisfy himself and any complaints received thereafter regarding the produce will not be entertained.

5 The contractor should make his own arrangements for the proper guarding of the trees immediately his offer is accepted and no complaints in case of theft, etc., will be entertained and no compensation whatsoever will be paid thereof.

6 Any damage done to Government property should be made good by him.

7 The contract should not be sublet or transferred.

8 Withdrawal of bid or lodging dispute of any kind will not be entertained. When once the bid is offered in the open auction.

9 The decision of the Director of Animal Husbandry Services in Mysore, Bangalore, is final in all matters of disputes and legally binding on the bidders.

10 Permission will be granted for the collection of Hippay and Neam produce of 1956-57, during the year 1957 when it will be available for collection.

All the Indigenous Manufacturers of Transformers.

Enquiry No. 15256—E.D. 1446.

Sub:—Supply of 750 K.V.A. 3 ph. Transformer to be installed at Unit Sub-Station at Chintamani.

Gentlemen,

No. S.P.C. 51255-304. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

The quotations should be sent in duplicate in sealed covers duly superscribed "Quotations for 750 K.V.A. Transformers to Electrical Department" with the above enquiry number.

This enquiry will be closed on the 20th December 1956.

SCHEDULE.

SECTION II:—

Specifications.

Scope.—This specification covers manufacture, testing at works supply and delivery of ONE 750 KVA, 3 phase, 25/50 cycles, 22 KV—33 KV/13, 2 KV—11 KV. power transformer detailed in this Section packed for export shipment to Madras, and is required to be installed at Unit Sub-Station, Chintamani, Mysore State.

2. **Standards.**—The transformer shall be built to the requirements of the latest B.S.S. or A.I.E.E. specifications.

3. **Weather Data.**—Ambient Temperature—90°F.

24 hours daily average—80°F.

Maximum Humidity—98%.

Average Rainfall—36".

80 to 90 per cent of the rain occurs between June and September and is attended by lightning.

4. **Altitude.**—The place is situated at about 3,000 ft. above the Sea Level.

5. **System.**—The existing supply system is 22 K.V. (Delta) on Primary and 13.2 K.V. (Delta) on Secondary side. The supply frequency is 25 cycles per second.

Since the system is proposed to be changed over to 33 K.V. Delta on Primary stepped down to 11 K.V. star on Secondary with neutral solidly grounded and supply frequency of 50 cycles per second, the transformer offered shall be dual voltage and dual frequency and be suitable for operation on the present system and to continue to operate even after conversion.

The phase rotation is anticlockwise RYB—R.

6. **General.**—Three phase, double wound oil immersed, self cooled, continuous type, suitable for outdoor installation in tropical weather.

The vector group notation shall conform to main group 4 and class 41 DY II of B.S.S. 171 of 1936.

Frequency—25/50 cycles per second.
No Load Ratio—22/23 K.V. H.V.
—13.2/11 K.V. L.V.

Connections:—

H.V. Winding—Delta connected.
L.V. Winding—13.2 K.V. } Star connected with
11 K.V. } neutral brought out
for solid earthing.

7. **Terminal Arrangements.**—High voltage connections shall be brought out through outdoor type oil filled bushings, which shall preferably be of the sealed non-breathing type, fitted with a ground metallic shield, oil gauge, $\frac{1}{2}$ inch diameter soft drawn electrode, adjustable, double staggered horn gap, drains and filling plugs for renewal of oil.

Bushing characteristics, viz., Impulse and withstand valves (Dry and Wet) shall be furnished.

Low voltage and Neutral terminals shall be brought out in bushings into a cable box to be taken over to switch-gear cubicles, by means of cables. The cables box shall be capable of taking 3 cables of B & S size.

8. **Tappings.**—Plus minus 2½ per cent Plus minus 5 per cent and Minus 10 per cent off load taps on H.V. side. Each tap should be designed for full rated out put and to

withstand 5 per cent excess voltage continuously in excess of rated voltage of the tap. Handle should be provided outside to operate the taps, with indicator as to which tap is in service.

9. **Rating.**—Continuous output of 750 K.V.A. on 13.2/11 K.V. and 25/50 Cys.

Impedance—Inter winding impedance shall be between 5 and 7 per cent.

10. **Temperature rise.**—For the maximum continuous rated output temperature rises in the transformers shall not exceed the following over an ambient temperature of 40°C.

1. Oil—40°C by thermometer.

2. Winding—45° by resistance of copper.

11. **Insulating Oil.**—Insulating Oil shall conform to B.S.S. 145—1951. Necessary oil for first filling of transformers shall be supplied along with transformers.

12. **Insulation.**—Insulation of the Laminations shall be of a proven quality for withstanding the action of hot oil at 90°C. Core bolt clamp insulation shall be flash tested to withstand 2,000 V.R.M.S. for one minute. The winding insulation shall withstand the following test:—

One minute normal winding frequency dielectric test K.V. R.M.S.	Induced voltage test K.V. R.M.S.	Impulse test chopped wave K.V. Crest.	Impulse test full wave crest K.V.
H.V. 70.2 K.V.	70.2 K.V.	230 K.V. for 8 Micro seconds.	200 K.V. to 3 micro seconds.
Bushings	Low Frequency	Impulse test full wave	
H.V. side	Bry Flash-over 95 K.V. Wet flash-over of 50 K.V.	1.5x40 micro seconds crest.	200 K.V.

13. Fittings and Accessories.—

The following shall be provided for each transformer:—

1. Conservator with oil level sight gauge 2" conservator drain valve fitted with $\frac{1}{4}$ " B.S.P. male threaded adapter, fitting, hole and a screwed cap, and a shut off valve for pipe connection to the main tank.
2. Silicagel breathe with indicator.
3. Explosion relief vent with double diaphragm (deflecting and protective diaphragm).
4. Off load tap changer handle with position indicator and locking arrangements.
5. Thermometer pocket.
6. Radiators (if provided) shall be capable of being removed separately with provision for closing the oil flow by suitable valve arrangement.
7. Weather proof, dial type thermometer fitted with alarm, the contact wires brought out to junction box.
8. Junction box for terminating signalling connection with cable glands.
9. One set of cover lifting eyes.
10. Transformer shall be equipped with Flanged rollers.
11. Two earthing studs, $\frac{1}{2}$ " diameter with nuts.
12. 2" upper filter valve with adapter.
13. 2" bottom filter and rain valve with adapter.
14. Sampling valve.
15. One set of rating name and diagram plates in English.

14. **Tests.**—All the routine tests mentioned in the B.S.S. 171 1936 shall be performed and test certificates signed by a responsible officer shall be submitted.

15. **Painting.**—The transformer shall be given a priming coat of corrosion resisting coating of Zinc Chromate and two coats of aluminium paint.

16. **Foundations.**—Foundations for the equipment will be provided by the Government of Mysore, but the tenders shall supply the necessary drawings in good time to facilitate preparation of foundations before the materials arrive at site.

17. **Departure from Specifications.**—Should the tenderers wish to depart from the provisions of these specifications on account of technical reasons they shall list such departure as a separate schedule and submit full particulars and reasons for such departure. Unless this is done the materials offered will not be considered to comply in all respects with the terms and conditions of these specifications.

N.B.—1 Prices should be quoted f.o.r. Bangalore.

2 The intending tenderers should remit an earnest money of Rs. 100 in the Reserve Bank of India, Ltd., Bangalore, to the Personal Deposit Account of the Secretary, S.P.C. and note the number and date of the challan in the tender.

1 Tenders in the prescribed form in duplicate are obtainable from the office of the Executive Engineer..... on payment of annas 8 per form. Forms should be addressed to the Executive Engineer in a sealed cover and superscribed as "Tender for " and should also be superscribed on the top of the cover with the name of the contractor.

2 Tenderers should be persons with good experience in drainage works and that they should also own state plumbing licence duly renewed by the time of submitting their tenders.

3 Each tender must be accompanied by a duplicate challan for having deposited as earnest money in any Government treasury. Mysore Government bonds duly endorsed at full value or of market value whichever is less will also be accepted as earnest money.

4 Tenders not accompanied by the treasury challan for having credited the earnest money will be rejected.

5 Sales-tax and Income-tax clearance certificates duly authenticated should be attached to the tenders, failing which such tenders will be rejected.

6 Tenders should be submitted in duplicate, for each work separately. If there is any difference in rates quoted in between the original and duplicate the lower of the two will be taken into consideration.

7 Rates should be quoted against each item of work both in figures and words and should hold good till the acceptance of tenders by the competent authority. If there is any difference in rates between words and figures the lower of the two will be taken into consideration. The rates quoted will not be enhanced under any circumstances.

8 The rates quoted with conditions such as "Subject to fluctuations" etc., will not be accepted.

9 No conditional clauses will be accepted.

- 10 All over writing and corrections while submitting the tenders should be attested by the tenderer.
- 11 In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof or in the event of absence of any partner it must be signed on his behalf by a person holding power of attorney authorising him to do so.
- 12 The submission of tender by the contractor implies that he has read the notice and the conditions of the contract and he has made himself aware of the scope and specifications of the work to be done under the schedule of rates etc.
- 13 The tenders will be opened in the presence of such tenderers who wish to be present at the time of doing so.
- 14 The name of the successful tenderer whose tender has been accepted will be notified on the notice board of the office of the Executive Engineer, No. 3, Sanitary Division, Davangere. No enquiries regarding the acceptance of the tender or otherwise will receive any attention.
- 15 The final acceptance of the tender will rest with the competent authority who reserves his right to accept or reject the lowest or any other tender without assigning any reason whatsoever.
- 16 The successful tenderer should bind himself to abide by the departmental rules in force and should execute necessary *mutchali* within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which his earnest money will be forfeited and his contract will be treated as cancelled. The earnest money of the contractor whose tender is accepted will be retained as his security deposit and those of others will be returned after the acceptance of tenders or only after the lapse of two months from the date of receipt of tenders as notified.
- 17 Quantities given in the notification and schedules are approximate and are liable for additions, deletions or alterations. No extra rates will be allowed for such additions or alterations.
- 18 The rates quoted for earthwork and other items likewise should include bailing out water, removing slush etc., at the cost of the contractor.
- 19 Such of the tenders that stipulate uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reason whatsoever and the department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.
- 20 The rates quoted shall hold good if the tender is accepted within 6 months from the date of tender and shall thereafter be binding for the execution of the entire work till its completion.
- 21 Rates to be tendered should include sales-tax, income-tax or any other tax that may have to be paid to Government or any other local bodies.
- 22 For non-estimated and non-tendered items of work executed if need be, it will be paid as per the current minimum schedule of rates or as per data worked out during the time of execution and approved by competent authority.
- 23 The contract should not be sublet.
- 24 Copies of contract documents, schedules and drawings may be seen at the Office of the Executive Engineer..... on all working days during office hours.
- 25 The work should be executed as per the standard specifications in force in the department under the directions of the departmental officers concerned. The stoneware pipes to be used of tested quality preferably manufactured in the Mysore Stoneware Pipe and Potteries Ltd., Chickbanawar Post.
- 26 The contractor should arrange to keep the premises tidy immediately, the work is completed in each section. No extra charges will be paid for this work.
- 27 The work should be completed and handed over in a tidy condition to the P. W. D. by the end of..... after acceptance of tender failing which the Executive Engineer shall levy a penalty up to 2½ per cent on balance of works per month of delay, and will be recovered from the contractors' outstanding for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The monthly progress shall not be less than..... per month.
- 28 All materials, tools and plant and machinery if available will be supplied by the Executive Engineer in the interest of the work and shall be accepted by the contractor at the rates fixed by the Executive Engineer. The contractor will pay the hire on tools, plant and machinery as per rules from the date of taking over such machinery, tools and plants from the stores to the date of return thereto, such dates being the dates of acknowledgments of the vouchers in each transaction.
- 29 At the time of acceptance of the tender the accepted tenderer will be supplied departmentally or not. If it is the contractor's supply the quantity of lead, cement and yarn must be got approved by the department.
- 30 Materials such as cement, lead, yarn if available either in the Divisional Stores or Sub-Divisional stores will be sold to the contractor on payment of cash only at current issue rates at the time of issue of materials to the contractor.
- 31 The contractor should arrange for the payment of royalty, tolls and other duties payable by him.
- 32 The contractor should arrange to afford all facilities free of cost for testing the cement joints, section by section by the departmental officers, during the period of 3 months even after the line is charged. If any defects are noticed they will have to be rectified by the contractor at his own cost only after which the final claims will be settled.
- 33 The contractor should at his own cost provide all necessary scaffolding, cutting, labour and appliances such as bending rods, caulking and packing tools, etc., required for the work.
- 34 Proper arrangements should be made for barricading, lighting, arranging for watchman along the pipe line specially in the main roads and at the crossing for protection, convenience and safety of traffic by the contractor at his own cost failing which the contractor will be responsible for any accident and any negligence on his part and the cost of such arrangements if executed by the department in this behalf will be covered from the bill of the contractor.
- 35 The contractor should afford all facilities for supervision and inspection of works by the officers of P. W. D. or any other parties employed on the work by the P. W. D. so that their work may proceed during the progress of the work and give such officers and other persons one use of ordinary scaffolding and ladders.
- 36 No claims for damages for delay caused by officers of the department in the execution of the work will be considered whatever may be the reason for such delays. The contractors should bear this in mind while tendering for the work. Extension of time due to delays caused by departmental officers will however be considered on the event of each case. No extra claims or enhancement of rates will be allowed due to unavoidable delay for the supply of materials like cement, lead, yarn, etc., by the department.
- 37 The contractor is responsible to all accidents to workmen, etc. on the work and he must take all precautions against such all risks of accident and if necessary provide for the same by insurance at the proper time and pay compensation to the injured labourers. If such compensation is not paid by the contractor it will be recovered from his bills or outstanding and paid to the party as per rules.
- 38 In case the contractor ceases to abide by the terms of contract at any time before completing the work, he shall be bound to make good any loss to Government which may arise from the..... in addition to his surrendering his security deposit and earnest money which will be forfeited to the Government.

The Firms dealing in Motor Cycles.

Enquiry No. 15253.

Subject.—Supply of Motor Cycle for Bangalore Transport Services.

Gentlemen,

No. S.P.C. 51562-91. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions.

The quotations should be sent in duplicate in sealed covers duly superscribed "Quotations for the supply of Motor Cycle for Bangalore Transport Service" with the above enquiry number.

This enquiry will be closed on the 12th November 1956.

SCHEDULE.

	Qty.	Price quoted F.O.R. Bangalore Immediately	Time of delivery
1. Motor Cycle—Royal Enfield. 350 Bullet with spring frame and dual saddle, pillion foam rest, side stand, etc.	1		

N.B.—The intending tenderer should remit an earnest money of Rs. 100 in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, Bangalore, and the fact noted in the tender.

Conditions applicable to all the above enquiries

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance, or non-supply, in time or regularly, or supplying material which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(i) Cancellation of the indent or order in part or in whole.

(ii) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(iii) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(iv) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry

thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that, if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Rs. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the Enquiry.

Note:—These conditions hold good for all the above enquiries of this office.

I. P. MALLAPPA,
Secretary, S.P.C.

7 The successful purchaser is entitled to only standing trees and not the trees already felled and found lying in the coupes.

8 The purchaser should confine his fellings rigidly to the limits of Bhadra Submersion Area only.

9 All timber and poles yielding trees of 3 1/2' and below at bottom girth should be felled got measured and removed. Work should be done methodically starting from the River end, and extending outwards from the Second and Final Stage Submersion limit.

10 That no timber prepared out of any tree shall be removed unless it is measured and stamped by the Range Officer or any other Officer authorised by the District Forest Officer and until it is duly paid for at the rates accepted for each kind. For quantities felled and prepared in excess of the quantity notified, further deposit should be paid to the extent of value of timber that may still be available before further work is done and the rates to be paid for, the excess quantity will be the same as per the quantity notified.

11 Each consignment should be covered by a passport issued by the Range Officer concerned and it should be

removed out of the area before the date of close of the contract. He will have no right over timber felled but not removed before the period of contract.

12 The purchaser shall abide by the Rules of the Department as regards the exploitation of material and the kindling of fires and also hold himself responsible for offences (under Forest Acts and Rules existing) committed by him, or his Agent or Employees.

13 The period of extraction of timber of the above category will be from the date of execution of the Agreement till the end of February 1957.

14 The Department may reserve any tree of the girth classification notified above for Departmental Extraction and such reserved trees should not be extracted by the purchasers.

15 The decision of the District Forest Officer in all the matters of dispute is final.

16 A fine of Rs. 10 (ten) will be levied for each tree felled by him or his Agent or the employees outside the Submersion Area and in contravention of the sale condition the purchaser holds himself liable to forfeiture of the Security Deposit as also departmental action as per rules and cancellation of contract.

17 In fulfilment of the above conditions the purchaser shall execute an agreement on a stamped paper of Rs. 1-8-0 after furnishing a Security Deposit of Rs. 500 in the shape of S. B. Pass Book duly pledged in favour of the District Forest Officer, Bhadravati.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Notification dated 31st October 1956.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 30th November 1956, for the following work:—

Name of work	Amount of estimate Rs.	Earnest money Rs.
Construction of a Canteen Shed for Ram Narayan Chellaram College of Commerce, Bangalore.	8,600	333

1. Each tender must be accompanied by a duplicate shellan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedules and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work, without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in duplicate in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-8-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads

and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within four months from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.
